-FOREWORD-

Fifth Volume of Abstracts of Maryland Colonial Wills at the Land Office, Annapolis, Maryland, accompanied by Inventories and Administration Accounts, when indexed. Volume Five of this series, covering the period from 1772 through 1774, gives an immediate answer to the question whether one's ancestor died testate in Maryland at this time.

The land system in the Province of Maryland enables one to trace his ancestry back to the earliest days of the Colony through reference to the Will Books, Inventories, Administration Accounts, Rent Rolls, Debt Books, Testamentary Proceedings and allied series. The asterisk following Inventories and Administration Accounts indicates there is none indexed at the Land Office. Sometimes it is possible to ascertain the filing date of the Inventory and Administration Account through the Testamentary Proceedings. The use of this material is the only way possible to compile a complete Maryland genealogy.
